

We are working with a professional webdesigner to bring you a completely new and more interactive site with responsive design. Our new website is almost ready, and several of the pages behind the menu in the top and left menu's already point to our new site:

Top menu: 432 Hz?, Showcase, Dealers

Left menu: 432 EVO Master, 432 EVO Aeon, 432 Evo High End, What is 432 Hz, The story of the 432 EVO

The new product pages of the Essence & Standard will be added shortly, and then we will fully switchover in week 46 of 2019!

For a preview, you can visit:
